

Small Group Discussion Guide
Stay Married - Week 4

Start talking.

Get the conversation started with a few of these questions.

- Where did you go for LF Date Night? Tell about your night.
- After completing the Date Night questionnaire, did you learn anything new about your spouse?
- How often do you and your spouse go on a date where it's just the two of you?

Start thinking.

Ask a question to get your group thinking.

This was the last week in the series "Stay Married". What is one of the main takeaways you have from this series?

Start Sharing.

Chose a question to create openness.

- In what ways has your relationship with your spouse improved during this series?
- Do you feel like you have grown as an individual and together as a couple? Share your experience.
- Has what you've learned in this series caused you to focus inward for ways you can improve your relationship instead of focusing on your spouse's faults?

Start praying.

Pray with your group members. Be bold and pray with power.

"Lord, thank you for loving us unconditionally. We pray that you strengthen each marriage and each relationship represented in this group. We pray against any attack of the enemy our marriages. Help us continue to put you first in our marriage and in our hearts. In Jesus' name we pray, Amen."

Start doing.

Commit to a step and live it out this week.

- Set a goal to pray with your spouse and for your spouse everyday.
- Watch "Continuing the Conversation" this week on the Life Fellowship Facebook page, and discuss together over a meal or coffee.
