

Small Group Discussion Guide
We Are A Zoo - Week 5

Key Scripture

Romans 12:2

Start Talking.

Get the conversation started.

- What is the worst job you've ever had?
- If your co-workers had to describe you as an animal, what would it be?

Start thinking.

Ask a question to get your group thinking.

- If asked, what would your co-workers say about your relationship with God? (Think on this.)
- Is there someone or a group of people in your workplace that you have become bitter towards? How is that affecting your everyday life?

Start Sharing.

Ask a question to create openness.

- Give an example of a conflict you may have faced at work. How did you handle the situation? What would have done differently?
- Have you ever had a co-worker come to you for prayer or advice about a situation they were going through? How did God work through you to minister to them?

Start praying.

Pray with your group members. Be bold and pray with power.

Dear Lord, thank you for the gift of a job, and the relationships that come with it. Help us recognize the opportunities that arise each day to share the love of God to my co-workers. In times of conflict, help me to always react with kindness, despite the outcome. In Jesus' name, Amen.

Start doing.

Commit to a step and live it out this week.

- Pray for love, patience, and kindness in your workplace.
- Be intentional in inviting someone who you might not naturally relate to into your circle of influence at work.
- Extend an invitation to your small group or a weekend service at LF to someone who does not have a church home.
